

## ЭДВ ДА 622-02 К39

### General characteristics

|  |        |
|--|--------|
| Model color                                | Black  |
| Design                                     | Wood   |
| Timer                                      | Analog |
| Oven rails type                            | Wire   |
| Inner glass with thermo-reflective coating | No     |
| Door closer "Soft-close"                   | No     |
| Number of glasses in the oven door         | 2      |
| Control panel material                     | Glass  |
| Telescopic shelves                         | Yes    |
| Recessed control knobs                     | No     |

### Oven working modes

|                                    |     |
|------------------------------------|-----|
| Automatic cooking programs         | No  |
| Upper heating                      | No  |
| Grill                              | Yes |
| Grill with spit                    | No  |
| Convection grill                   | Yes |
| Low heating                        | Yes |
| Low heating with convection        | No  |
| Volumetric heating                 | Yes |
| Volumetric heating with convection | Yes |
| Defrost mode                       | No  |
| Reinforced grill with convection   | No  |

|  |              |
|--|--------------|
| Enhanced heating with convection           | Yes          |
| Rapid heating with convection              | Yes          |
| <b>Control functions</b>                   |              |
| Child lock                                 | No           |
| Oven interior lighting                     | Double       |
| Oven temperature control                   | Thermostat   |
| Oven control                               | Mechanical   |
| <b>Accessories</b>                         |              |
| Spit                                       | No           |
| Roaster                                    | 2            |
| Baking sheet pan                           | No           |
| Oven grid                                  | 1            |
| Glass baking dish                          | No           |
| Rotisserie                                 | No           |
| <b>Technical characteristics</b>           |              |
| Range of rated mains voltage, V            | 220-230      |
| Energy efficiency class                    | A            |
| Circular heating element, W                | -            |
| Weight (net/gross), kg                     | 33,7 / 37,5  |
| Rated power consumption, W                 | 3005-3285    |
| Rated mains frequency, Hz                  | 50           |
| Oven volume, l                             | 55           |
| Installation opening dimensions, WxDxH, cm | 56 x 55 x 58 |
| Width, cm                                  | 59,8         |
| Depth, cm                                  | 56,5         |
| Height, cm                                 | 59,5         |
| Top heating element, W                     | 800          |
| Bottom heating element, W                  | 1200         |
| Heating element - grill, W                 | 1200         |
| <b>Other</b>                               |              |
| Сортировка по категории (для поиска)       | 2            |

## Режимы работы

|   |                               |
|---|-------------------------------|
|    | Нижний нагрев                 |
|    | Объёмный нагрев               |
|    | Гриль                         |
|    | Гриль с конвекцией            |
|    | Объёмный нагрев с конвекцией  |
|    | Усиленный нагрев с конвекцией |
|   | Режим приготовления "Пицца"   |
|  | Режим приготовления "Птица"   |
